The busy holiday season was made extra special with the activation of Box A Smile, LBC's Christmas Gift-Giving activity during which smiles were delivered to 3,000 underprivileged children in various communities.

With the invaluable assistance of Project Pearls, the Box A Smile gift-giving events were a success, drawing volunteers both from the LBC & Project Pearls communities.

Project Pearls, a volunteer, non-government agency headed by Melissa Villa, gathered children in the various communities of Helping Land/Newland, Tondo, Manila, Lubusang Alyansa ng Katutubong Aeta ng Sambales (LAKAS) in Botolan, Zambales, and relocated residents of Ulingan now in Barangay Batia, Bulacan.

A total of 3,000 children were treated to a Christmas party with games and prizes, lots of dancing, singing and, of course, food and drinks.

With these events, an overwhelming sense of community and camaraderie was felt throughout,

in keeping with the spirit of giving, the true spirit of the holiday season.

Over 3,000 donor participants from the U.S. were engaged, and co-sponsors likewise provided much-needed assistance for the events.

“Box A Smile gave me a chance to reflect on the true meaning of Christmas. Seeing all those kids and the joy on their faces as we not only gave them gifts but also played with them and showed them kindness, was heartwarming and moving. It was a good reminder that this is how Christmas, and everyday for that matter, should be. A time to share and spread joy and peace,” said Nena L. Wuthrich, executive director, LBC Foundation.

LBC volunteers from various departments and areas participated in the gift-giving activities: from the principals, executives and their children, to warehouse personnel, associates and front-liners, delivery associates and teams.

The LBC family came in full-force, some employees dressed as Santa Claus, enjoining the children and all present that it is indeed FAMILY that truly makes the holiday season special and memorable.

“LBC has been a very important partner for Project Pearls. LBC USA has generously provided assistance to Project Pearls in transporting in-kind donations to Manila from the United States. Because of this, we are able to provide to hundreds more children in the communities we serve mainly in Bulacan and Tondo, Manila.

“When they informed me that they would like to partner with Project Pearls for a gift-giving for 3,000 children, I was very grateful and humbled, not to mention, I was jumping up and down from excitement because this is the first time we are able to provide Christmas gifts to over 1,000 children.

“LBC and Project Pearls partnership is more than just a corporate partnership, it is really a partnership for humanity. Together, we are helping and supporting each other in making this world a better and kinder place for all — rich, poor or poorest,” said Melissa Villa, Project

It feels good when I'm helping especially when I see the smile of a child waiting to know what is inside the LBC Bag and open their Christmas gifts. I would like to thank the whole team behind Box A Smile of LBC Foundation and Project Pearls for allowing me to be part of such a rewarding and amazing activity, I really hope that one day I will be able to be part of another project and experience something so amazing like this," said Leovic Tan, Research Analyst, LBC Express, Inc.
