In the end, the young men of the North Jersey/UFBL team came out victorious in their quest for another championship.

Games played: Vs Philadelphia Suns (46-24) Vs Chinatown Life Rockits A (38-36) Semi-finals vs BSANY (34-44) Championship vs Lunar NYC (44-51)

Most of the players are only 14 years old but, along with a few 15 year olds, challenged themselves to play against teams that were mostly consisted of 15 year olds who were for the most part were taller than the North Jersey/UFBL players.

The Championship game was very nerve racking as the lead kept changing between the two teams.

At the halftime mark, the score was separated by only one point.

It was when there was about five minutes left on the second half is when the boys from New Jersey came together and tightened up their defenses to prevent Lunar NYC from further scoring.
